

CSAW'26

11th Annual Hack3D Challenge

Testing cybersecurity defenses in additive manufacturing and computer aided design

The challenge is open to anybody, including students, working professionals, and enthusiasts!

QUALIFICATION ROUND (Virtual):

3-4 October 2026

FINAL ROUND (Hybrid):

12 November 2026

FINAL PRESENTATIONS:

13 November 2026

The top 5 teams will advance to the Final Round to compete during the CSAW'26 Cybersecurity Games & Conference at NYU.

Certificates will be provided to top three teams recognizing their achievements and the winning teams will also be listed on the CSAW Website.
